Kid's Decor Packages:

Photos are for example only (astro turf is an optional extra for all packages except picnic packages, as well as any draping not mentioned.) You can choose your colours and theme – Themes not in stock may have a surcharge. (Package descriptions below) Centrepieces in the packages are: 3 layer balloon trees, laser wood, or balloon flowers or trees only. Subject to in stock availability on theme – there may be a surcharge for non-stock themes.

Prices exclude delivery and set up fees.

Add a 2x3m astro turf to a package for R115 each

Please go to www.funsa.co.za and complete a request a quote once you know what you are looking for ☺

You can make your own package or add anything from our itemised pricelist
